Landcare's greatest strength is our diversity

Why building skills is important

How we build the skills!

COLLABORATION & INNOVATION

**Going there...
...coming here**

Exporting Landcare to the World!

What can we learn from the world?

How do we bring it all together!

PARTNERSHIPS ARE THE KEY!

We all need to work together.

What is included? How is it delivered?

Today is just the starting point.
